Description

This dresser base is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax. The dresser base would look well in an old or modern property amongst similar antique pine furniture for storage. This would look great in an unfitted kitchen or a living room with a flat screen TV on top. The dresser base stands on round turned bun feet supporting the main section. There are two large doors that have two tall thin panels and thee is a porcelain knob to the doors. Behind the doors is a shelf for storage. The drawers have round turned wooden knobs. They have dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. The height is 98cm, the width is 111cm and the depth is 51cm.
