Description

Victorian Burr Walnut Telescopic Dumbwaiter Item Code: S27-716 A Victorian burr walnut telescopic dumbwaiter, offering three graduated tiers when fully raised and converting into a more compact serving or side table when lowered. The rectangular shelves display attractive burr walnut figuring and are finished with moulded edges and canted corners. The telescopic supports rise neatly from the lower structure, allowing the upper shelves to be extended for displaying food, drinks, books or decorative objects. Raised on architectural end supports with recessed panelled decoration, joined by a turned central stretcher and standing on shaped platform bases with turned feet and castors. A practical and unusual piece of Victorian furniture, combining decorative burr walnut with a versatile rising mechanism. Key Features * Victorian period * Burr walnut veneers * Telescopic rising mechanism * Three display or serving tiers when extended * Converts to a compact table when lowered * Moulded shelf edges with canted corners * Panelled end supports * Turned central stretcher * Raised on castors * Minor wear commensurate with age and use Dimensions Width: 123 cm Depth: 52 cm Height when...
