## Description

A fine quality mid 19th century (circa 1860) French Kingwood inlaid centre table. This table consists of a shaped top with extremely fine quality marquetry decoration inlaid with exotic woods with an ebony ground, the inlaid top consisting of a central inlaid panel depicting a Classical scene of noblemen and women walking in a garden and landscape with central fountain, a wonderful Chateau to the background with superb floral and foliate inlaid designs. This wonderful inlaid central panel within shaped borders of Kingwood banding, boxwood stringing, amboyna banding and boxwood stringing with an outer fine quality and finely chased ormolu applied moulding. This leads down to a fine quality inlaid frieze on all four sides of the table consisting of cherubs and putti inlaid decoration within ebony ground surrounded by Kingwood banding and boxwood stringing with oak lined drawer to the front opening to reveal a sliding writing surface covered in blue velvet, this can be opened to reveal a concealed storage compartment. Within the frieze both to the front and back the table has a fine quality central ormolu panel with inlaid Kingwood and ebony lattice decoration with ormolu...
