Description

Antique 20th century small oak chest of drawers, a charming and well-proportioned piece, very well made and of good quality. Compact in size yet offering useful storage, it is a versatile piece that would sit comfortably in a bedroom, hallway or living space. The chest is fitted with three smoothly running drawers, each retaining its original oak knob handles, providing practical storage while preserving its authentic character. Subtle carved detailing to the upper section adds a decorative touch without detracting from the clean and timeless design. The timber displays gorgeous natural grain and a rich, warm colour throughout. The construction and pleasing proportions are a testament to its quality craftsmanship, making it both an attractive and durable piece of furniture. Presented in good condition, this highly desirable oak chest combines practicality with classic style. A beautifully made example with plenty of character, it would make a perfect addition to any home and will complement both period and contemporary interiors.
