Description

A pair of wonderfully romantic small French Louis XV style chairs with elegant, fluid lines. Their frames are crafted from polished hardwood (likely walnut or fruitwood) featuring a curved cabriole leg design that tapers down beautifully. Subtle, ornate floral or scroll carvings accent the top center of the backrests and the front apron just beneath the seats. The chairs feature animal and pastoral themed Aubusson tapestry which is fixed with classic trim along the edges. The backrests depict charming, pastoral or pictorial narrative scenes. One prominently features a large cockerel and a cat in a rustic, outdoor setting. Another features a deer. The seats and the small padded rests on the armchairs (manchettes) are also upholstered in a coordinating dense floral and foliage pattern, pulling together muted tones of beige, green, blue, and deep red. Firm of joint and seat but with love worn tapestry upholstery, they are the perfect small seating solution for those who would love a slice of rustic European charm in their interior. Each chair: 88cm x 60cm x 58cm
