Description

Antique 20th century Arts and Crafts sideboard in mahogany, an outstanding piece of furniture displaying exceptional craftsmanship and design. Very well made and of the finest quality, this impressive sideboard is rich in character and combines elegant display space with highly practical storage. Its distinctive styling and superb attention to detail make it a truly striking example that has to be seen in person to be fully appreciated. The raised upper section is beautifully arranged with two glazed display cupboards, one on either side of a central bevel-edged mirror. Each cupboard features wonderfully shaped curved glass panels and a single internal shelf, creating the perfect space for displaying fine china, glassware or treasured collections. Below are two central drawers retaining all of their original handles and fittings, while the base is fitted with a spacious double-door cupboard enclosing a useful shelf and original bottle storage. For ease of transport and positioning, the sideboard separates neatly into two sections. Crafted from beautifully figured mahogany, the timber boasts gorgeous grain and a rich, warm colour throughout. The flowing lines, elegant ca...
