Description

A very important and rare antique George III silver chamberstick. Made in Birmingham in 1797 by Matthew Bolton one of the founding members of the Birmingham Assay Office, he was also the first customer of the office on the 31st of August 1773. This beautiful chamberstick has an associated snuffer by Charles Goodwin. There are a full set of Bolton's hallmarks underneath and a part set on the scone. Overall it is in great condition and would make a great addition to your collection. Weight; 270 grams or 9 ozst approx. Free delivery in the UK. Payment by bank transfer, card over the phone, PayPal or Klarna. Using Klarna payments can be split over three months.
