Description

A striking pair of African hardwood and leather armchairs, richly decorated with carved detail, bone inlay and brass studwork. Every surface has been thoughtfully embellished with carved friezes and decorative bone borders, creating chairs with real character and presence. The beautifully patinated leather cushions are decorated with traditional geometric motifs, while the hardwood frames are enriched with carved ornament, contrasting bone inlay and rows of hand-applied brass studs. The barrel backs and broad seats make them as comfortable as they are sculptural. Whether used in a contemporary interior, a country house or an eclectic space, they are guaranteed conversation pieces. Matching two-seat settee is available separately, offering the opportunity to create a wonderfully distinctive suite. Condition: Good solid vintage condition, ready to place. Expected wear, patina and minor imperfections commensurate with age and use, adding to their authentic character. Dimensions: Height: 70 cm | Width: 62 cm | Depth: 50 cm | Seat Height: 44 cm
