Description

A lovely Victorian farmhouse table dating from the late 19th Century. It has a thick planked top and stands on chunky turned legs with a single drawer. It has a lovely warm colour and a nice aged patina. It is a good size, big enough to seat 4-6 comfortably, and a good height to sit at with ample leg clearance of 24" (61cm) all the way around. It is in good condition and displays well. There are various signs of age and use, some minor marks and knocks on the top surface and some minor shrinkage splits but nothing detrimental and the table is strong and sturdy. It has been cleaned and lightly polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
