Description

Antique 20th century Gothic style sideboard in oak, a striking and beautifully crafted piece that showcases the bold architectural styling associated with the Gothic Revival. Very well made and of fine quality, it offers an excellent combination of generous storage, practical design and impressive decorative appeal. The sideboard is arranged with three central drawers, each retaining its original handles and fittings, flanked by two cupboards, one on either side. Both cupboards feature a beautifully fitted interior with a single shelf, while the right-hand cupboard also incorporates an original metal bottle rack, providing a practical and distinctive feature that enhances the cabinet's versatility. Crafted from quality oak, the timber displays gorgeous natural grain and a rich, warm colour throughout, perfectly complementing the Gothic-inspired design. The substantial construction and high standard of workmanship are evident in every detail, making this a particularly desirable example with both character and lasting appeal. Presented in good condition, this handsome Gothic style sideboard is as functional as it is decorative. A fine quality piece of antique furniture wi...
