Description

A good example of an Art Deco style solid silver cream or milk jug. It is a stylish and good quality with an angular body, square handle and octagonal base. It is clearly hallmarked for Birmingham, 1937 and the maker Adie Bros. It weighs approximately 103g. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and minor signs of age and use but nothing detrimental. It has been gently cleaned and polished and displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £7 Rest of the world £25
