Description

Antique 20th century golden oak chest of drawers, a handsome and practical piece that showcases the warmth and character of beautifully matured oak. Very well made and of good quality, it offers generous storage while retaining a timeless design that will complement a wide range of interiors. The chest is arranged with five drawers in total, comprising two smaller drawers above three larger graduating drawers, providing ample space for clothing and household essentials. A raised gallery to the top completes the design, giving the chest an attractive and distinctive appearance. The golden oak has developed a rich, mellow colour over the years, with gorgeous natural grain flowing throughout the entire piece. Its sturdy construction, quality craftsmanship and pleasing proportions make it both durable and visually appealing, highlighting the excellent standard to which it was made. Presented in good condition, this desirable chest of drawers combines practicality with classic period styling. A versatile piece of antique furniture, it would make a wonderful addition to a bedroom, hallway or living space and is sure to be enjoyed for many years to come. Product Reference : AF...
