A decorative Asian style wall mirror, richly painted with cranes, flowering branches and a rising sun motif – imagery traditionally associated with harmony, longevity and tranquillity. The frame is finished in gold and coloured accents against a dark ground, giving the piece a vivid, atmospheric presence. Below, a projecting shelf is adorned with lotus flowers, rocks and birds, forming a serene nature scene that complements the artwork above. The mirror plate is clear and bright, set within a sturdy frame and fitted with strong hanging brackets to the back.
