Description

Antique 20th century Edwardian chest of drawers in oak, a handsome and practical piece that showcases the simple elegance and quality craftsmanship of the Edwardian period. Well made and of good quality, it offers useful storage while retaining a timeless design that will complement a wide variety of interiors. The chest is fitted with four drawers in total, arranged as two smaller drawers above two larger graduating drawers, providing ample space for clothing, linens or household essentials. Each drawer retains its original decorative handles, adding to the authentic character and period charm of the piece. Crafted from oak, the timber displays gorgeous natural grain and a rich, warm colour throughout. Its pleasing proportions, solid construction and attractive figuring reflect the excellent standard of workmanship, making this a particularly desirable example of Edwardian furniture. Presented in good condition, this charming oak chest of drawers combines practicality with classic style. A versatile piece with enduring appeal, it would make a wonderful addition to a bedroom, hallway or living space and is sure to be a perfect addition to any home. Product Reference : AF...
