Description

A lovely antique tribal rug, woven by the Lors tribe circa 1920. The design features a single geometrical medallion on a rich red plain field surrounded by an ivory border. Fabulous secondary colours including golds and blues and some interesting design elements, including a couple of figures, make this a great example of tribal weaving. Size: 1.97m x 1.30m (6ft 6in x 4ft 3in). This rug is in good condition with light, age related wear. Fringes and selvages are secure and it has been professionally cleaned. Free worldwide shipping.
