Description

An interesting and decorative oil on canvas landscape painting. The work depicts a typically Romantic landscape with a background of forested hills, a valley with a small village, a bridge with figures crossing the river. The work is very much in the manner of the Romantic school of the mid-nineteenth century, it is signed by monogram AH and dated 1855, it is also titled. The monogram is unidentified and the title is somewhat illegible, sadly. The painting is in good condition with the odd minor mark and typical craquelure. The gilt frame is the original and very good quality. The whole has a great period look and is ready to hang. Overall sizes in inches including frame: 27 by 21
