Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 9ct yellow gold case and is fitted to an extra long very heavy solid 9ct gold textured bracelet which simply glides around the wrist and really shines when you catch it in the light. Mint throughout the watch looks almost unworn. The fold over double safety clasp is tight and secure. The dial is in perfect as new condition and just stunning. It has the Omega logo on the winding crown and the clasp. It has the highly reliable calibre 484 manual winding movement which has just been serviced and is running to within original Omega specification. It will fit a maximum wrist size of 7 inches or 18 cm but this can easily be reduced by any competent jeweller. The case and bracelet have been ultrasonically cleaned and polished so it is absolutely pristine. It has London hallmarks for 1967. As you would expect from Omega the watch is fully marked on the dial, movement and case, the bracelet and case are fully hallmarked and it comes with its original Omega box which is also in perfect condition. Omega are one of the most exclusive mak...
