Description

Reduced by 20% to reflect sale on our own website A lovely double bed here with very nice shaping on the head end. Sometimes referred to as a gentleman's length as the rails accommodate a longer length double mattress so a perfect choice for those who want a double size, but need more length to accommodate a taller person. We can adapt the siderails to shorten to a standard length double if required. Do enquire for details. A cross between a 'classic straight rail' style and a 'three hoop' style, so most unusual and attractive indeed. The castings and clamps are fabulously detailed and have been highlighted in gold. Fully restored to be sturdy, practical and beautiful. Whole frame cleaned, restored and tested for durability. All joints checked for secure fit. Shot blasted and primed prior to hand paint finish in Little Greene's Jack Black, and castings highlighted in Gilt Varnish - Chantilly Gold. Whole bed waxed over to protect and give a soft sheen. All of our beds can be re-painted in any colour of your choosing. Please contact us for more information/quotation.
