Description

Antique 20th century display cabinet in yew wood, an elegant and beautifully proportioned piece that offers the perfect combination of display space and traditional styling. Well made and of good quality, this attractive cabinet is ideal for showcasing fine china, glassware or treasured collectibles while adding warmth and character to any interior. The cabinet features a beautifully glazed front, allowing the contents to be displayed whilst remaining protected. Inside are two adjustable shelves, providing the flexibility to accommodate items of varying heights. The cabinet retains its original key, allowing the glazed door to be securely locked, and it stands on shaped bracket feet which complete its classic appearance with understated elegance. The yew wood displays stunning natural figuring with gorgeous graduated colour throughout, ranging from warm golden tones to rich honey browns. The distinctive grain and beautiful variation in colour give the cabinet tremendous visual appeal, while its pleasing proportions and quality construction make it a particularly desirable example. Presented in good condition, this handsome yew wood display cabinet is both practical and h...
