Description

Antique 20th century serpentine chest of drawers in mahogany, a beautifully shaped and highly desirable piece, very well made and of good quality. With its elegant serpentine front and generous proportions, this chest combines classic styling with excellent storage, making it a wonderful addition to a wide variety of interiors. The chest is fitted with seven drawers in total, graduating in size from top to bottom to provide practical and versatile storage. Each drawer retains its original decorative handles and fittings, adding to the authenticity and character of the piece. Raised on traditional bracket feet, the chest has a refined stance that perfectly complements its graceful curved form. The mahogany is particularly attractive, displaying exceptional figuring across the drawer fronts with rich, warm colour and striking natural grain throughout. The flowing serpentine design enhances the beauty of the timber, creating an elegant focal point that reflects the quality of its craftsmanship. Presented in good condition, this handsome chest of drawers is both practical and visually impressive. A rare and increasingly sought-after example, it offers timeless appeal and wou...
