Description

Antique 20th century Edwardian desk in mahogany, a handsome and beautifully proportioned piece, very well made and of good quality. Designed with both elegance and practicality in mind, this impressive desk offers generous workspace and excellent storage, making it an ideal centrepiece for a study, office or library. The desk is fitted with a classic green writing surface, providing an attractive contrast against the rich mahogany. It features nine drawers in total, arranged as four on either side with a larger central drawer, offering ample space for organising stationery, documents and everyday essentials. Each drawer having decorative brass handles, while the desk stands on a plinth base fitted with castors, allowing it to be repositioned with ease. Crafted from quality mahogany, the timber displays gorgeous natural grain and a deep, warm colour throughout. The refined proportions, quality construction and original fittings reflect the excellent standard of craftsmanship, resulting in a piece that is both highly functional and visually impressive. Presented in good condition, this desirable Edwardian desk combines timeless style with everyday practicality. A superb ex...
