Description

Elizabeth Waldegrave, Countess Waldegrave Charlotte FitzRoy, Duchess of Grafton Anne Horatia Waldegrave Reynolds was particularly skilled at choosing poses and actions which suggested a sitter's character and which also created a strong composition. Here, three sisters, the daughters of the 2nd Earl Waldegrave, are shown collaboratively working on a piece of needlework. The joint activity links the girls together. The eldest, Elizabeth Laura, who was aged twenty in 1780, sits in the centre winding silk thread. She is aided in this pursuit by Charlotte Maria, aged nineteen, on her right, while Anna Horatia, at eighteen the youngest of them, is working on a length of silk lace stretched across a tambour frame. Date: 1781 Sheet Dimensions: 64cm x 39cm. Framed Dimensions: 72cm x 47cm. Price: £920 All prices include UK mainland delivery. For other territories please ask.
