Description

Antique 18th century Georgian corner cabinet in mahogany, a fine example of Georgian craftsmanship, beautifully made and of good quality. Designed to make excellent use of corner space, this elegant cabinet combines practical storage with timeless period styling, making it a wonderful addition to both traditional and contemporary interiors. The cabinet features two panelled doors to the front, opening to reveal four spacious internal shelves, ideal for displaying china, glassware or treasured decorative items. Raised on traditional bracket feet, it has a well-balanced and refined appearance, characteristic of quality Georgian furniture. Crafted from beautifully selected mahogany, the timber displays gorgeous natural grain and a rich, warm colour that has matured beautifully over the centuries. The clean lines, pleasing proportions and understated elegance allow the quality of the timber and workmanship to take centre stage, resulting in a particularly desirable example. Presented in good condition, this handsome Georgian corner cabinet offers an excellent combination of functionality and classic design. A timeless piece of 18th century furniture with enduring appeal, it...
