Description

A superb late Victorian Sheraton inlaid mahogany banjo barometer and thermometer with porcelain scales c.1890. Beautifully shaped solid mahogany case with decorative inlaid fruitwood framing the barometer and thermometer with a garland design and an additional urn decoration to the base. The barometer with aneroid movement and porcelain dial sat behind a bevelled edge glass mounted in a polished brass bezel with a centre reading marker. The mercury action thermometer with matching porcelain scale. Fully overhauled movement in full working order, presented in immaculate condition with a rich colour and deep shine.
