Description

A very nicely designed pair of sterling silver cocktail straws / mixers. They are hallmarked STERLING SILVER 925. I would date it them to c1960's/ 1970's. They have been superbly designed and are in super condition being free from splits and repairs. They measures over 7.5 inches (19.6cm) long by 1 inch (2.6cm) wide and have a combined weight of 24 grams. A very good quality pair.
