Description

French Antique 'Barn Find' Carved Buffet / Sideboard A True Treasure Uncovered Rescued from deep within a French barn—buried beneath a mountain of timber and accumulated time—this magnificent French antique buffet is the ultimate rustic centerpiece. It carries an extraordinary history written right into its surface. Layers of aged, distressed pale-yellow paint chip away naturally to reveal whispers of dark undertones and raw timber underneath, giving it an authentic, irreplaceable patina that only decades of genuine weathering can create. Key Features & Details Intricate Hand Carvings: The two lower cabinet doors feature deeply carved central urn and botanical medallions enclosed within raised moldings, complemented by a delicately carved apron and detailed top drawer fronts. Original Hardware: Fitted with its original wrought metal drop handles on the drawers and ornate decorative escutcheons/pulls on the cabinet doors, preserving its rustic charm. Marble Top: Topped with a subtle, soft-toned marble slab that adds a layer of quiet elegance against the rustic, distressed base. Generous Storage: Offers excellent practical storage featuring two top drawers above a sp...
