Description

A beautiful solid silver desk or table potpourri or lavender box. It is hallmarked with the 800 standard mark along with the makers mark JK. I would date it to c1910. It has been superbly designed and is in super condition being free from dings splits holes and repairs. It measures approx. 2 inches (5.2cm) across by 1 inch (2.6cm) tall and weighs 32 grams. A very pretty example. Antiques over 100 years old are no longer subject to US Tariffs as of the 25th July 2026
