Description

A very nicely designed rare French silver plated hot serving dish stand. It is marked CHRISTOFLE along with design numbers, I would date it to the late Art Nouveau early Art Deco era c1910-1920's. It has been beautifully made being supported on castors allowing it to be moved along a table and it extends to accommodate larger dishes and platters. It is in superb condition being free from dings splits distortions wear and repairs. It measures a touch under 9.5 inches (14cms) wide 13.75 inches fully extended and weighs 760 grams. A very nicely designed rare piece.
