## Description

This breathtaking antique moonstone necklace, dating back to circa 1900, showcases a stunning array of cabochon moonstones. The moonstones are elegantly bezel-set in a drop fringe festoon design with a recently added necklace chain, a style that was highly popular during the late 19th and early 20th centuries. This design is known for its graceful, flowing movement and its ability to frame the neckline beautifully. The moonstones featured in this necklace are lovely quality, with a mesmerising blue, moon-like sheen. Their clarity and lustrous glow make them truly enchanting, adding a touch of ethereal beauty to the piece. STONES Moonstone METAL Sterling Silver MEASUREMENTS Necklace measures 15.25" in length Largest Moonstones measure 1.3cm x 0.7cm WEIGHT 9 grams HALLMARKS Chain - 925 CONDITION This antique necklace remains in good condition. The stones are all free from damage, remain secure and are of superior quality, with natural inclusions. The fastener is secure, and the chain, as mentioned, has been recently replaced and is durable for future wear. Item Number - SD995
