Description

Antique 20th century small campaign style chest of drawers, a charming and practical piece inspired by the timeless design of traditional campaign furniture. Very well made and of good quality, this compact chest offers excellent storage while retaining plenty of period character, making it an ideal addition to a bedroom, hallway or study. The chest is fitted with three drawers to the front, each retaining its original brass swan neck handles, providing practical storage for a variety of household items. Traditional campaign-style carrying handles are fitted to either side, enhancing its distinctive appearance and adding to its authentic military-inspired design. Raised on bracket feet, the chest has a sturdy and well-balanced stance that complements its classic proportions. The timber displays gorgeous natural grain and a rich, warm colour throughout, giving the piece plenty of warmth and character. Its compact size, attractive detailing and quality construction make it a particularly desirable example, suitable for both period and contemporary interiors. Presented in good condition, this handsome campaign style chest of drawers is both decorative and functional. A ve...
