Description

A lovely small sarcophagus shaped tea caddy dating from the early 19th Century. It is made from rosewood with a nice rich colour. It is raised on ball feet and it has a round mother of pearl escutcheon. Inside, it has two lidded compartments with wooden knobs. It is in good condition for its age. There are some signs of age and use, some minor marks and knocks and a couple of old repairs but no major damages or anything detrimental. The inside is generally clean and tidy. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £8
