Description

A nicely proportioned pine chest of drawers dating from c1900, in clean and tidy condition. The chest has two drawers over two full width drawers with the original pressed brass plate handles, and stands on turned bun feet. Condition: Very good condition throughout. The only thing to point out is that there are a couple of areas on the top that are a slightly different colour, most likely where a dressing mirror type top has stood in the past. Dimensions: Width - 107cm Depth - 47cm Height - 84cm Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch. Delivery of furniture usually takes between 7 and 21 days from order, though can sometimes take longer. If you need an item by a certain date please speak to us prior to ordering and we'll try to help.
