

SA1228783

Antique Treen Georgian Pocket Watch Holder - shape of grandfather clock

Price

Sold**Item Reference: SA1228783****Date of manufacture: Georgian**

Description

A George III mahogany pocket watch holder in the shape of a grandfather clock. It has a shaped pediment, bone inlay which looks like it has a faint B on it, lovely oval patera. The top lifts up on a hinge to place the pocket watch in to make a clock face. Lovely colour and patina. C1790/1800 It measures 29cm h at the highest point x 7cm w at widest point x 4cm d.
