Description

A lovely antique pine cupboard dating from the late 19th / early 20th Century. It has two panelled doors with turned wooden knobs and a metal closing latch. It has a shelved interior and stands on turned bun feet. It is in good condition and the pine has a nice warm colour. It has been cleaned and has a smooth waxed finish, retaining its lovely aged patina. The interior is generally clean and tidy. There are some signs of age and use, some minor marks and knocks here and there but nothing detrimental. There are some signs of historic worm which has all been treated as a precaution and hasn't affected the piece structurally or aesthetically. It displays very nicely and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
