Description

A stunning Victorian solid walnut refectory farmhouse dining table, handcrafted by a Norwich furniture maker. Beautifully made from solid Walnut, this impressive table showcases the rich natural grain and warm colour of the timber, combining traditional craftsmanship with timeless farmhouse style. Original table to the underside. Turner Barnes and Wright had workshops in the St Julian's Steam Cabinet works on King Street Norwich. The substantial refectory design is both elegant and practical, making it ideal for family dining, entertaining, or as a statement piece in a period or contemporary home. Built to exceptional standards, this is a quality table designed to last for generations. The table will comfortably seat 6 and 8 at a push. The table is in excellent condition for its age, with a lovely patina and only minor signs of use consistent with careful ownership. Features: Victorian period Handcrafted by a Norwich furniture maker Solid walnut throughout Traditional refectory farmhouse design Beautiful natural grain and rich finish Strong, sturdy, and exceptionally well made Excellent condition with age-related character Dimensions: Length: 152 cm Width: 102 cm Height: 77 cm
