## Description

Antique 20th century fine quality oak sideboard, an impressive piece of furniture showcasing exceptional craftsmanship and timeless design. Very well made and of the finest quality, this handsome sideboard offers generous storage while retaining the elegant proportions and solid construction expected of a high-end period piece. The upper section is fitted with three spacious drawers, each retaining its original handles and fittings, while the base is arranged with a double-door cupboard alongside a single-door cupboard. Both cupboards open to reveal a useful internal shelf, providing ample space for storing crockery, linens or household items. Raised on sturdy square feet, the sideboard has a strong and well-balanced appearance. Crafted from beautifully figured oak, the timber displays stunning natural grain and a rich, warm colour throughout. The quality of the materials and the excellent standard of workmanship are evident in every detail, making this a particularly desirable example with lasting appeal. Presented in good condition, this superb oak sideboard combines practicality with classic styling. Retaining all of its original handles and fittings, it is a fine qua...
