Description

Antique 20th century Chippendale style bookcase in mahogany, a handsome and elegant piece that showcases the timeless appeal of traditional Chippendale design. Very well made and of good quality, it offers an excellent combination of display and storage, making it a superb addition to a study, library or living room. The upper section features a beautifully glazed bookcase fitted with four adjustable shelves, allowing books, ornaments or collectibles of varying sizes to be displayed with ease. Beneath is a spacious double-door cupboard providing useful concealed storage, ideal for larger volumes or household items. The bookcase retains its original key and separates into two sections, making transportation and installation far more convenient. Raised on graceful cabriole legs terminating in classic claw and ball feet, the piece has an elegant stance that perfectly complements its traditional styling. The mahogany displays gorgeous natural grain and a rich, warm colour throughout, highlighting the quality of the timber and the craftsmanship invested in its construction. Presented in good condition, this highly desirable Chippendale style bookcase is both practical and dec...
