GBP 225

| USD \$304 | EUR 263

Item Reference: SA1229002

Date of manufacture: 1920

Dimensions

Height = 18 cm (7.1")

Width = 15 cm (5.9")

Description

A decorative small bronze sculptor of a young boy leading a horse to water c.1920. The boy wears hat and is sitting on the horse which is balancing on a rock outcrop and leaning forward to drink. It is signed, but I am unable to decipher the signature. It is in good condition and measures 18cm high x 15cm in length.

Internal Ref: BDA
