Description

Antique 20th century carved oak coffee table, a handsome and characterful piece that combines quality craftsmanship with timeless design. Very well made and of good quality, it offers both decorative appeal and everyday practicality, making it an excellent addition to a wide range of interiors. The table is raised on elegantly turned legs united by a useful under tier shelf, providing additional space for books, magazines or decorative items. A beautifully carved frieze surrounds the apron, adding a refined decorative element that enhances the table's classic appearance without overwhelming its clean proportions. Crafted from quality oak, the timber displays gorgeous natural grain and a rich, warm colour throughout. The attractive carving, together with the solid construction and pleasing proportions, reflects the excellent standard of workmanship and gives the table plenty of charm and character. Presented in good condition, this versatile oak coffee table is both stylish and functional. A well-made piece of antique furniture with enduring appeal, it would make a wonderful centrepiece for a living room and a perfect addition to any home. Product Reference : AF - 6170 ...
