## Description

Antique 19th century Victorian chest of drawers in walnut, a handsome and characterful piece that perfectly reflects the quality and elegance of Victorian furniture. Well made and full of period charm, this attractive chest offers practical storage together with beautiful decorative detailing. The chest is fitted with four generously sized drawers, each retaining its decorative handles. The drawer fronts are beautifully carved, adding depth and visual interest while showcasing the craftsmanship of the period. Raised on turned feet, the chest has well-balanced proportions and a classic Victorian appearance that will complement both traditional and contemporary interiors. The walnut displays gorgeous natural grain and a rich, warm colour throughout, with attractive figuring that enhances the beauty of the timber. The combination of the carved drawer fronts, original fittings and elegant proportions makes this a particularly desirable example with plenty of character. Presented in good condition, this Victorian walnut chest of drawers is both practical and highly decorative. A timeless piece of antique furniture, it would make a wonderful addition to a bedroom, hallway or...
