Description

Antique 20th century large good quality sideboard in oak, an impressive and beautifully proportioned piece that combines generous storage with timeless period styling. Very well made and of fine quality, this substantial sideboard is ideal for a dining room, hallway or living space, offering both practicality and exceptional visual appeal. The upper section is fitted with four spacious drawers, all retaining their original handles and fittings, providing ample storage for cutlery, table linens and household essentials. Beneath are two double-door cupboards, each enclosing a single internal shelf, offering excellent concealed storage for crockery, serving dishes or larger household items. Raised on traditional bracket feet, the sideboard has a strong and well-balanced stance that complements its elegant proportions. The oak displays gorgeous natural grain and a rich, warm colour throughout, giving the piece tremendous character and highlighting the quality of the timber. Its generous size, pleasing proportions and quality construction make it a particularly desirable example, equally suited to both traditional and contemporary interiors. Presented in good condition, thi...
