Description

Antique 20th century fine quality small oak cupboard, a beautifully crafted and highly decorative piece that combines practical storage with exceptional workmanship. Very well made and of good quality, its compact proportions make it an ideal choice for a variety of settings, offering both versatility and timeless appeal. The cupboard is fitted with a useful upper drawer for smaller everyday items, while the blind-door cupboard below opens to reveal two internal shelves, providing ample storage within a compact footprint. Beautifully carved throughout with a high level of attention to detail, the cabinet displays the quality and care that went into its construction. Crafted from quality oak, the timber boasts gorgeous natural grain and a rich, warm colour that enhances its character. The elegant carved decoration, attractive proportions and solid construction make this a particularly desirable example, perfectly balancing decorative appeal with everyday functionality. Presented in good condition, this charming oak cupboard is a wonderful example of fine quality antique furniture. Its desirable size makes it suitable for use as a bedside cupboard, hallway cabinet or occas...
