## Description

Antique 20th century chest of drawers in golden oak, a handsome and practical piece that combines quality craftsmanship with timeless appeal. Well made and of good quality, it offers generous storage while retaining a classic design that will complement a wide variety of interiors. The chest is fitted with four spacious drawers, each having decorative brass handles, providing ample storage for clothing, linens or household essentials. A raised gallery to the top adds an attractive finishing touch while enhancing the cabinet's traditional character. Raised on a sturdy plinth base, the chest has a solid and well-balanced appearance that reflects its quality construction. The timber displays gorgeous natural grain and a rich, warm colour throughout. The attractive figuring and mellow patina enhance the beauty of the wood, while the clean lines and pleasing proportions create a piece with enduring charm and versatility. Presented in good condition, this delightful chest of drawers is both decorative and functional. A good example of 20th century furniture, it would make a wonderful addition to a bedroom, hallway or living space and is sure to be a perfect addition to any hom...
