Description

Antique 20th century chest of drawers in golden oak, a charming and well-proportioned piece with a timeless design and plenty of character. Its practical layout, attractive proportions and warm colour make it a versatile addition to both traditional and contemporary interiors. The chest is fitted with five generously sized drawers, each retaining its original oak knob handles and offering ample storage for clothing or household essentials. A raised gallery to the top adds an attractive finishing touch while enhancing the overall design and period appeal of the piece. Crafted from beautifully matured golden oak, the timber displays gorgeous natural grain and a rich, mellow colour throughout. The warm tones and attractive figuring give the chest a welcoming presence, while its pleasing shape and quality construction reflect the care with which it was made. Its understated elegance makes it a particularly desirable example. Presented in good condition, this handsome oak chest of drawers is both decorative and functional. A classic piece of antique furniture with enduring appeal, it would make a wonderful addition to a bedroom, hallway or living space and is sure to be a pe...
