Description

A very rare and beautiful antique silver "Glengarry bonnet" pin cushion. Made in Birmingham in 1908 by the company of Crisford and Norris. It is in great condition with only minor wear commensurate with its age. It is fashioned as a Glengarry bonnet as worn by Scottish soldiers. There are a full set of hallmarks on the side and a silver thistle with a cirtine on top. This would make a great addition to any collection. Weight; 59 grams Free delivery in the UK.
