Description

A lovely antique tribal rug, woven by the nomadic Lurs circa 1920. The rug features a geometrical design on a rich terracotta field surrounded by an ivory border. Note the charming way the border design changes from the ends to the sides. A little battered and bruised which is reflected in the price but still a great tribal rug. Size: 2.20m x 1.32m (7ft 3in x 4ft 4in) This rug has medium, age related wear, very slightly heavier in a couple of places (see photos). Slight losses to fringes and selvages (see photos). Slight marks to small areas of red (see photos). These imperfections are reflected in the price and it has been professionally cleaned. Free worldwide shipping.
