Description

Antique 20th century serpentine side table in burr walnut, a beautifully shaped piece that combines elegant proportions with exceptional decorative appeal. Very well made and of good quality, this handsome table offers both practical storage and timeless style, making it a wonderful addition to a hallway, living room or bedroom. The table is fitted with three drawers to the front, each retaining its original brass handles and providing useful storage for a variety of everyday items. Raised on elegant tapered legs, the graceful serpentine front enhances the flowing lines of the piece, giving it a refined and distinctive appearance. The beautifully figured burr walnut is the true highlight, displaying breathtaking figuring, gorgeous natural grain and a rich, warm colour throughout. Both the top and drawer fronts showcase the striking burr veneers to great effect, while the subtle decorative detailing and well-balanced proportions make this a particularly desirable example. Presented in good condition, this attractive burr walnut side table is both decorative and practical. A fine piece of 20th century furniture with enduring elegance, it would make a perfect addition to a...
