## Description

Vintage 20th century Georgian style serpentine chest of drawers in hardwood, a handsome and elegant piece that draws inspiration from the timeless proportions of classic Georgian furniture. Very well made and of good quality, this attractive chest combines graceful lines with practical storage, making it a wonderful addition to a bedroom, hallway or living space. The beautifully shaped serpentine front gives the chest a refined and distinctive appearance, while the original handles and fittings have been retained, adding to its authentic character. Raised on a sturdy plinth base, the chest has a solid, well-balanced stance that complements its elegant profile. The hardwood displays gorgeous natural grain and a rich, warm colour throughout, enhancing the flowing shape of the drawer fronts and giving the piece plenty of visual appeal. Its pleasing proportions, quality construction and classic Georgian styling make it a particularly desirable example that will complement both traditional and contemporary interiors. Presented in good condition, this handsome serpentine chest of drawers is both decorative and practical. A fine piece of vintage furniture with timeless character...
