Description

Charming 19th Century Child's School Chair | Antique Wooden & Metal Desk Chair Step back in time with this wonderful 19th-century child's school chair. Crafted with a sturdy wooden seat and backrest set on a solid metal frame, this piece carries all the warmth, character, and authentic patina that only time can create. Just think of the stories it could tell if it could talk—decisive chalkboards, inkwells, and decades of childhood memories embedded into its beautiful aged wood. Whether you're looking to add a unique touch of history to a nursery, create a striking plant stand, or feature an authentic piece of period furniture in your home or shop, this chair is a delight. Key Features & Details Era: 19th Century Materials: Solid Wood & Antique Metal Frame Condition: Beautiful antique condition with natural wear, distressing, and patina consistent with age and schoolhouse use. Structurally sound and full of authentic charm. Dimensions Width: 35 cm Depth: 28 cm Height: 56 cm Note: As a genuine 19th-century antique, this piece shows natural signs of wear, surface marks, and age, which only enhance its unique historical character.
