Description

An 18th century walnut jewellery cabinet with later decorative solid silver hardware. The cabinet is in good condition, the only loss is the silver finial figure that sat ontop, but has been broken off long ago. There are approximately 8 drawers and a small box on top, with all of them having old velvet linings. This little cabinet has a lovely surface patina and colour and is ready for use. Measurements Height 33cm x Width 21.5cm x Depth 14cm
